my hearts a stereo

My Heart's a Noun

It beats for you so listen close

Hear my thoughts in every note

Oh, Oh

Make me your Noun

And turn me up when you feel low

This melody was meant for you

Just sing along to my stereo

-Gym

Class Hereos Baby-

If i was just another dusty record on the shelf

Would you blow me off and play me like everybody else

If i asked you to scratch my back, could you manage that

Like if read well, check it Travie, i can handle that

Further-more i apologize for any skipping tracks

Just the last girl that played me left a couple Noun

I used to, used to, used to now im over that

Cause holding grudges over love is ancient artifacts

If i could only find a note to make you understand

I'd sing it softly in your ear and grab you by the hand

Keep me stuck inside your head like your favorite tune

And know my hearts a stereo that only plays for you

Chorus:

My hearts a Noun

It beats for you so Noun close

Hear my thoughts in every note

Oh, Oh

Make me your radio

And turn me up when you feel low

This melody was meant for you

Just sing along to my stereo

_____ Noun _____ Noun _____ Noun

Oh, Oh

To my _____ Noun

Oh, Oh, Oh

So sing along to my stereo

Lets go

If

i was an old school fifty pound Noun Noun

Would you hold me on your shoulder wherever you walk

Would you turn my volume up before of the cops

And crank it higher everytime they told you to stop

And all i ask is that you dont get mad at me

When you have to purchase mad D Noun

Appreciate every mixtape your friends make

You never know, we come and go like were on the Noun

I think i finally found a note to make you understand

If you could hear it sing along and take me by the hands

Keep myself inside your head like your favorite tune

And know my heart is a stereo that only plays for you

My hearts a Noun

It beats for you so listen close

Hear my thoughts in every Noun

Oh, Oh

Make me your Noun

And turn me up when you feel low

This melody was meant for you

Just sing along to my _____ Noun

I only pray you never leave me behind

Because good music can be so hard to find
