Type of food on my Adjective skirt. Easter I got only a/an Noun in my

basket. On the 4th of July, First name tripped on a/an Noun and fell on

me. My birthday, cake pilled on me and Name of a person and Name of a person

were eating off of me. Thanksgiving, I was forced to eat something I didn't enjoy

eating. The first day of Season when my family was singing Song title a

mouse frightend me and he took the cheese out of my Noun sandwich. Christmas

I got a note, coal in my stocking, and no presents under the tree that said my name. P.S. First name picked

the Adjective tree out for my family. I hope in the year Year these holidays will be better for me.
