I'm Yours by Jason Mraz

Well you've done done me and you bet I felt it

I tried to be chill but you're so hot that I _____ Verb - Past Tense

I fell right through the _____ Noun - Plural

and now I'm trying to get back

Before the cool done run out

I'll be giving it my bestest

Nothing's going to stop me but _____ Adjective _____ Noun - Plural

I reckon it's again my turn to win some or learn some

I won't hesitate no more, no more

It cannot wait, I'm yours

Well open up your _____ and see like me

Open up your **Repeat Last Noun** and damn you're free

Look into your heart and you'll find love love love love

Listen to the music of the moment people _____ and _____, we're just one big family

It's our God-forsaken right to be loved loved loved loved loved

So I won't hesitate no more, no more

It cannot wait I'm sure

There's no need to Verb - Base Form

Our time is short

This is our fate, I'm yours

Do you want to, come on, scootch over closer dear

And I will nibble your Noun

I've been spending way too long checking my Noun in the mirror

And bending over backwards just to try to see it clearer

But my breath fogged up the glass

And so I drew a new Noun and I laughed

I guess what I'll be saying is there ain't no better reason

To rid yourself of Noun - Plural and just go with the Noun - Plural

It's what we aim to do

Our name is our virtue
