I can get used to this

_____ female name _____, before I start this I was planning to write you something before you _____ Verb Past Tense it last _____ Adjective _____ because I want to try and help you wake up in the _____ Adjective Ends in EST possible mood in the morning and I hope I can help with that, I really want this to make you feel special and _____ Adverb you that tingly feeling when you read it because I want you to know exactly how special you really are, not just to me (even though you are the most precious thing ever to me!!) but _____ Noun _____ how special you are to everyone else as well and just how lucky the world is to have you on it? I love you Hannah, _____ Proper Noun _____ Noun Plural _____ real life princess ????

Before I even start writing I can't stop thinking about hugging you and holding you tight and kissing you everywhere and kissing your lips as I brush my hand across your face and just feeling the warmth of your skin against mine ? just knowing your there next to me is enough to make me smile and make me happy forever! Yesterday when we were kissing I could _____ Proper Noun Plural _____ your lips widening as you tried not to smile and that honestly _____ Verb Past Tense _____ me feel so happy and you were so adorable and I just loved that _____ Verb Base Form _____ I love all the moments we share together, where we smile, laugh, sing, cry, just stare into each other's _____ Verb Present ends in S _____, I can't get enough of it! I honestly cherish every second I get with you because when I'm away from you it feels like a part of me is _____ Adjective Ends in EST _____, your were the _____ Verb Present ends in ING _____ piece of me all _____ Adjective Ends in EST _____ and now I've got you forever
