Crazy Baby

My baby was a very Adjective baby. Its Body part was where its Different body part was supposed to be. It had 2 or 3 digit number toes on each foot instead of 5. It started to Verb at 3 months old! He ate a Noun and a Noun! I went to see the doctor and he said that my baby was a Adjective baby and his condition could not be treated. I was so Emotion I was about to cry. I still wonder what has made my baby so Adjective!
